AWARDS

Sojourner Truth Award Recipient (Sunny Orange)- *Technology (2014)*

This ceremony recognizes the achievements of deserving Orange County youth who are traditionally under-represented in the college population.

Activities

Soccer - *August 2015 - Current*

I have play soccer as a mid-field for the school for three years. I recently joined a travel team name, Outcast. On a team means being dedicated to your teammates and being there through games and practices.

Robotics Club - *Fall 2014 - Current*

I am an active member for three years. We have participated in yearly competition in Yorktown. Our robot was to built to complete different tasks given by First Tech Challenge
